RAPID WALL CHARGER

CARGADOR DE PARED
RAPID CHARGEUR MURAL

2.4 AMP
12 WATT

Item No.: **IS-AC2**

- Output of wall charger: 2.4A 12Watts
- Input of wall charger: 100 – 240V AC, 50-60Hz

DIGIPOWER with **InstaSense™** Precise Charging Technology

Take the guesswork out of compatibility – InstaSense™ technology will automatically deliver the required power for your device.

Ya no tiene que adivinar la compatibilidad de la batería – La tecnología InstaSense™ entregará automáticamente la potencia necesaria para su dispositivo.

Prenez la conjecture hors de la compatibilité - Technologie InstaSense™ enverra automatiquement la puissance nécessaire pour votre appareil.

FEATURES

BENEFITS

Single USB Port Rapid charger	2.4 amps of power charges your all USB devices fast
Auto voltage switching (100-240V AC)	Works with voltages across the globe
Power protection circuitry	Safeguards your valuable devices from over voltage, over current or short circuit conditions

AVAILABLE FOR ITEM UPC NUMBER DESCRIPTION

All USB devices	IS-AC2	7 58302 03502 1	2.4 Amp single port USB wall charger
-----------------	--------	-----------------	--------------------------------------

Multi language: English, French, Spanish is featured on all Mizco packaging.
